A MITSUBISHI UFJ LEASE AND FINANCE COMPANY

To Our Valued Clients

We hope this message finds you and your family, friends and colleagues all well and safe. We are in the midst of a historic time, dealing with a global pandemic and the related uncertainty. This is a time for coming together and supporting each other even if it is done in a virtual environment. We at ENGS Commercial Finance Co. want you to know that we are here for you every step of the way.

WE ARE PREPARED

The ENGS business, like so many others, is currently operating under a virtual work environment. This virtual environment has been designed and tested to ensure business continuity to address circumstances like we face today. Having some of the best system tools in the industry is allowing the ENGS team to work remotely without any business interruption or service issues. ENGS is processing business in the normal course.

YOU CAN EXPECT THE SAME HIGH-LEVEL SERVICE FROM ENGS

ENGS has been committed to our vendor partners for a very long time – since 1952 – providing uninterrupted financing programs all the way. Very few companies can say this, but at ENGS, we can. As a group company of Mitsubishi UFJ Lease and Finance Company, one of the largest commercial finance companies in the world, ENGS has one of the strongest balance sheets and service platforms in the U.S. You can place your business with ENGS with complete confidence that ENGS will be here supporting your business and your customers throughout these unprecedented times.

As we have been doing for nearly 70 years, ENGS is here to service your equipment financing, working capital and insurance needs.

Our thoughts are with you through this unprecedented time.
